### ATTENZIONE

Nel maneggiare i componenti in cristallo evitare urti e non appoggiarli su superfici che possano causare scheggiature o graffi.

### ATTENTION

When handling glass components, please avoid shocks and do not lay them on surfaces that could cause chips or scratches.

### ATTENTION

En maniant les composants en cristal éviter les heurts et ne pas les appuyer sur des surfaces qui puissent causer des ébréchures ou des griffures.

### ACHTUNG

Während der Handhabung der Glasbestandteile vermeiden Sie Stöße und achten Sie darauf, sie nicht auf Oberflächen abzustellen, die diese zersplittern oder verkratzen könnten.

### ATENCIÓN

Al desplazar las piezas de cristal, evitar choques y evitar apoyarlas sobre superficies que puedan crear marcas o rayas.
